「話說在學生時代……常在學校出沒的野狗經常被人畫上眉毛。每次就在眉毛快消失時，又會有人幫牠補上新的眉毛…就在這種連鎖反應中，我也有參一腳。……對不起呀…眉毛狗…」

First I went to Xian Tai's Qiu Dai Hot Springs (This character "dai"... the first time, I couldn't read it, a real big headache, but it really doesn't have a special meaning) The hotel I was in had a warm spring, etc. The pool had an area where bubbles kept on appearing... what was it... never mind, all in all, I really liked the place, I always try very hard to make it that only I would be the one sitting in the middle of the pool...

...Everyone sees it as a strange practice. It's very amusing. And there is the idiotic angry person how's everyone?

YOU PRETEND YOU'RE IN A DRAMA!
ONLY HOPING PEOPLE WILL RESCUE YOU!

I am a resident of Shimane, so I am very familiar with the slang "dara." Recently I found out that Ishikawa prefecture also uses "dara"! Even though Shimane and Ishikawa are near the Sea of Japan and very far apart, we speak a very similar dialect. I feel so close because of our dialect! A long time ago, when I looked at a map of Japan, I got Shimane and Ishikawa mixed up.

I'm so dumb! Really!

But, good kids, don't follow my example of stupidity!

LET'S RUN AWAY FIRST...
WHERE ARE YOU GOING, MATSUDA?
ARISA DOESN'T SEEM TO KNOW ABOUT MY EXISTENCE...

(Nonsense Dream Part I)

Once in a while I will have a boring dream. But, when I was a kid I had a very touching dream. After I went to Jr. High, I also had one very boring and even people felt very horrible... And the same dream continued for two nights. Right now I am going to introduce everyone to my dream! If anyone does not want to see, then do not read on.

This dream happens in a small village. I am a girl living in that village. That peaceful village has a horrible rumor that if the taros roll, people will die.

(Nonsense Dream Part 2)

If the Taro's roll, the humans will die. The villagers heard that, and became very scared. Nobody wanted to grow the taros. One day I went to the nearby mountain with my older generation friends. On the road we saw white things shaped like ping pong balls. Only about half of it showed up from the ground. What is this? I wanted to pick it up and examine it. My friend stopped me and screamed right away. Why are there taros here!? If we leave the taros alone, someone will die. She digged out the taros right away, but she was too rushed and the taros slipped out of her hands and rolled out of her hands into the village. When she saw this, WAH, to be continued

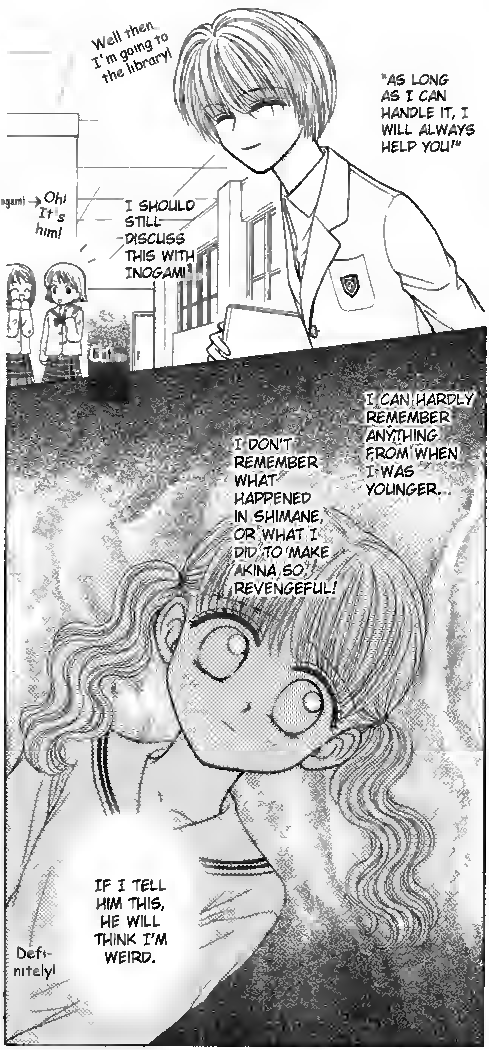
WAHAHAHA
IS IT JUST ME, OR WAS THAT THROWN ON PURPOSE?
EH?
NO WONDER MY BOOK WAS DESTROYED THIS MORNING...
HEH HEH!
REVENGE!

(Nonsense Dream Part 3)

My neighbor screamed sadly like crazy, running out on the streets She finally vanished in the woods I asked the villagers to help me look for her When we passed by the area where she was lost, we saw a HUGE HUGE MANY MANY taro fields! When was there so many taro? How and when did we have so many taros here!? The villagers were scared and set a fire to the taro field and ran back to the village My neighbor never came back again But, the curse of the taros never ended.

To be continued.



Well then I'm going to the library!

Pointless Dream 4

After we burned the taro field, the village should have not had any more taro roots, but one by one the villagers died in strange ways or else mysteriously disappeared. In the end, the rest of the villagers held a meeting, and at this time, a girl put forth a sieve full of stuff drawing the villagers to the sight - only to find that it was a sieve full of taros! That's right! Taros grow from the dirt so that's why it wasn't damaged by the fire! Because of that legend, that's why the village didn't have any taro fields, and that young girl had not known what taros were, but now that I look carefully, isn't that girl from Class N? We didn't get along too well, so why is she in my dream... this is not important, not running is. If you were to play around with the taros... why is it taros...? It was taros in the first place... taros...

Not exactly in my right mind at that moment.

Feeling very tired right now.
